## SIX NEVADA CITY SCOUTS IN CAMP

The large number of visitors at Camp Pahatsi Sunday were favorably impressed with the first Club camp to be conducted by Tahoe Area Council which was very successfully brought to a close Sunday afternoon. It was the largest camp ever conducted at Camp Pahatsi. Including the staff, there were 92 in camp, eight towns being represented.

This week 50 Scouts and 18 staff members are enjoying the vacation offered by Camp Pahatsi. This is the fifth year at Kilborn Lake. Hiking, fishing, swimming, nature work, leathercraft geokoly field trips, anf astronomy are among the activities offered the boys.

Scouts from Nevada City are: Jim White, Bill Gracey, Clem Organ. Albert Pratti, Dick Tuttle, Ernest Chapman..

The camp staff is under the direction of Camp Director Harris Ricksecker, Scout Executive. He is assisted by Jeff Moors, Russ Penrose, and Sam Partridge of Grass Valley; Jack Schultz and Ben Ramsey of Colfax; M. S. Beecher, Virgil Harden, Ralph Herman, Mrs. Alda Dalbey, of Auburn; and Elyn Gregory, Fred Stephen, R. E. Arp, Bob Robinson, W. L. Holmes, Willard Geyer, and Donald Wilson of Reynolds. Patrol Leaders are Bill Cluff, Jim Howell, Bob Green, Ken Reynolds of Auburn, and Albert Pratti of Nevala City.

On Monday six three-year campers under the leadership of Virgil Harden, with M. S. Beecher as adult adviser, left for a four day hiking and fishing trip to the Royal Gorge of the North Fork of the American River. A big overnight hike to Devil's Peak is plannel for Wednesday and Thursday.

The 20-30 Club of Auburn has donated material for two boats which W. L. Holmes will construct. Peaches for Camp have been received twice a week from Penryn from persons interestel in Scouting.

## FORMER RESIDENT DIES IN LIVERMORE HOSPITAL

Roy N. Nelson, seven years a resident of Nevada City died at the Veterans Hospital at Livermore early wednesday morning of a complication of diseases. Born in St. Paul, Minn. thirty eight years ago he moved to California at an early age and resided in Turlock for some time, then at Iowa Hill and has lived on Boulder Street in this city for the seven years. He was a veteran of the world war, an ardent member of the Grass Valley-Nevada City Ski Club. A quiet, hard working and home loving man he was popular with those who knew him well and always willing to help those who needed his assistance. Funeral will be held at Turlock, California this week-end and burial will be made in family lot there. Three sisters and one brother survive, one Miss Eleanor Nelson of this city, Miss Edith M. Nelson of Washington, D. C. and Mrs. Helen Fillmore, Colfax, the brother, Clarence Nelson now livigi iat Turlock.

## HELEN CHAPMAN ON "DAILY CAL." STAFF

BERKELEY, July 12—Appointments to the staff of the "Daily Californian," student daily newspaper on the Uuiversity of California campus, effective for the fall semester begining August 20, are announced by A. James McCollum, retiring editor from Coalinga, and Marian Cramer of Alameda, retiring woman's editor.

Students are given appointments on the basis of ability in the journalistic field. Among those receiving appointments is Helen Chapmen of Nevada City.

### TRIPS IN AIRPLANE

A six passenger cabin Behanaca plane, stationed several months ago at the Gilmore Airport near Grass Valley, by L. A. Perrett, a former air-mail pilot, has been removed to the Loma Rica ranch, which is owned by Errol MacBoyle, manager of the Idaho-Maryland Mines company.

Mr. MacBoyle and Dr. C. P. Jones have chartered the plane. They have enjoyed several interesting trips when their time would permit.

## CHAMBER VOTES THANKS TO CHAIRMAN FINNEGAN

At the Nevada City Chamber of Commerce meeting held Tuesday night Frank G. Finnegan, as chairman of the Fourth of July committee gave his report of receipts and disbursements. The receipts exceeded the disbursements a little. This speaks very highly of the generousity of the Nevada City people and of the planning and management of the Fourth of July Committee. A vote of thanks was extended to Chairman Finnegan and his committee.

The Chamber passed a resolution to take part in the Grass Valley Fourth of July celebration in 1935 and will help in every way to make it a great success, as did the Grass Valley people helped Nevada City this year.

## Personal

A marriage declaration was made by Patrick Courser, 21, and Evelyn Granholm 21, on July 9. Miss Granholm lives in the Gold Flat district south of Nevada City and Mr. Courser is of Nevada City.

Harold Guenther, Robert Jeffrey and R. Clarke spent Wednesday in the high mountains fishing.

Mrs. William Ragon, of Oakland, and niece Miss Helen Lewis of Fresno, are visiting with Mr. and Mrs. Clyde Garwood. Mrs. Ragon is a former resident of Grass Valley and is enjoying her visit here with relatives.

Mr. and Mrs. Ralph Meredith and son of Oakland, came up for a visit with Mrs. Meredith's parents. Mr. and Mrs. Will Maguire. Mr. and Mrs. Meredith have returned nome and left their little son, Wilson, for a vacation visit with his grandparents.

Walter Nelsen of Sacramento, spent several days visiting with his friends, Mr. and Mrs. Brian Krough of Nevada City.

Mr. and Mrs. Geary Feagans and son an daughter, Raymond and Dorothy, motored to Red Bluff July 3rd, in their new car and spent the Fourth there, returning home the fifth. Mr. Feagans returnd to Allegany while his family remained in Nevada City.

Traffic Officer Will C. Fouyer is enjoying his two weeks' vacation. He has spent some time fishing near Truckee and on Canyon Crek.

Al Kelliher and John Figurski, contractors, left this week for the Alaska mine where they have started work on the head frame and other improvements to be made. Mr. Kelliher has the contract, and they expect to be gone for several weeks.

Mr. and Mrs. Ernest Novotny and two daughters, of San Diego, and Mr. and Mrs. Harold Close and daughter of Watsonville, are visiting with Mr. and Mrs. C. A. Boren. Mrs. Novotny and Mrs. Close are daughters of Mr. and Mrs. Boren.

Miss Dorothea Boren, of San Diego, is now making her home in Nevada Ctiy with her pareuts Mr. and Mrs. C. A. Boren. Miss Boren and the two little Novotny girls have been here for three weeks. Mr. and Mrs. Novotny will leave for their home in San Diego next week.

Mrs. Jennie Preston returned Sunday evening from Oakland where she had been visiting her brother-in-law, Mr. Preston, who is quite ill.

Mrs. C. H. King and son, Jimmie, of San Francisco are spending months vacation at the home of Mrs. Coughlan's parents, Mr. and Mrs. J. S. Coughlan in Nevada City.

David McCraney sustained an ugly cut on his head in a fall early in the week. Dr. B. W. Hummelt took stitches to close the injury.

Al Williams of Nevada City suffered a severe injury to his side when he bumped into an ore shoot in the mine he was working in. Dr. W. W. Reed attended him.

Mr. and Mrs. Ben Bowman and James Robinson motored to Truckee Sunday and enjoyed a successful fishing trip. They came home with a nice mess of trout.

### LIGHTNING CAUSES FIRES

Lightning is blieved to be the cause of most of the fires which have raged recently in the Tahoe region and eastern Nevada County. Of the four fires in Nevada County according to Fire Warden Snider, three did considerable damage. Two were in the Sage Hen Creek district. Another burned over 3,000 acres of timber land, and a fourth burned through the Alder Creek region covering 7,500 acres approximately.

## City Council To Aid Airport Completion

The city council at a special meeting last evening adopted a resolution to appropriate $1692 toward completing the Nevada City airport. The SERA will add to this $5100, according to the proposal submitted the city by Capt. Campbell, assistant to Capt. M. B. Doolin, head of the aviation office.

The following committee, appointed by Fred F. Cassidy, president of the Chamber of Commerce, appeared before the board to urge that this action be taken: Former Mayor R. J. Bennetts, Judge Raglan Tuttle, E. M. Rector, E. C. Uren, W. W. Waggoner and Francis Finnegan.

Mr. Bennetts pleaded that it would be a pity to withhold this sum now in view of the government's offer to contribute more than three times the amunt asked of the city. He stated that much of the city's contribution would be in tools and labor and that at least $200 of the amount would be absorbed by the city in the use of city machinery.

E. M. Rector declared that even if it were necessary to bond the city for this small sum he believed the action would be warranted in the future development and use of the airport. He recalled that he was one of the group of Nevada City men who conducted aviation authorities over the field, when it was first inspected as a possible site. The enginerse at that time expressed their approval. He added that it is regarded as one of the few sites for laning fields available between Reno and the Sacramento Valley.

Judge Tuttle urged favorable action on the part of the council stating that future aerial traffic would undoubtedly justify the expenditure.

Councilman Ben Hall raised the question of whether, in event the government desired further improvements at the airport the city would again be called upon to contribute. He stated that even now the airport was in need of oiling, since planes landing there raised an enormous cloud of dust, and weeds growing on the runway had had the earth blown away from their roots.

When the question finally came to a vote, however it carried. Councilman Kopp, before leaving yesterday for the Yosemite, had expressed his approval of the project.

The board received bids for building a change house at the swimming pool from the following: J. Inbrulia an A. Coulter, $1917; plumbing alone, J. Inbrulia $752; Rolf J. Baker and Walter J. Miller bid $1848; Y. C. Soda $2096; for constructing the cement floor alone, Soda bid $447; Howard Ross bid $1970, and included in this the steel lockers, which none of the other bidds included; A. L. Carter bid $1316.70 to build the house exclusive of the plumbing; G. O'Neill bid $739 on the plumbing alone.

The council took the bids under consideration.

## 'SPEED WINGS' ATTRACTION AT NEVADA THEATER

Tonight at the Nevada Theater, starring Tim McCoy and the beautious Evelyn Knapp, comes "Speed Wings" a story of Tim McCoy's daring attmpt to bring the world's speed record to the United States. His co-pilot quits with cold feet and leaves Tim to carry on alone. For those that like action and plenty of it, this is a picture that is wholly satisfying.

Richard Barthelmess and Joan Muir carry the leading roles in "Modern Hero", which will be presented in the Nevada Theatre tomorrow (Saturday) night. This drama reveals man's ruthless desire for power in the business world, that desire overcoming all obstacles in the road to place and influence. Barthelmess ably plays the hero, rising from lowly circumstances to a commanding position in Wall Street, completely forgetting the women who have helped him along the way.

The "Upper World", which is the attraction for Sunday night at the Nevada Theatre, is the story of "cheating" husbands and wives in the higher social strata. Ginger Rogers and Warren Williams, smash hits in many a Hollywood tale, play the leads.

## CLASS OF 29 WILL HOLD REUNION DINNER

Seventeen of the about thirty-five members of the Nevada City High School class of 1929 have signified their intention to attend the reunion dinner to be held at the National this week end. The baaquet will be held in the upper banquet room. Members of the class will decorate the tables and room.

### Thimble Club Enjoys Picnic at Lake Olympia

Champion Circle Thimble Club left Nevada City yesterday afternoon on the Nevada City-Grass Valley bus line for Lake Olympie where they spent several hours at cards, under the beautiful pines. At six o'clock they enjoyed a delicious luncheon on the shore of the lake.

"Scoop" Thurman of Colfax, publisher of the Colfax Record who recently announced his candidacy for the Republican nonination for Assemblyman for the Sixth District, now held by Jesse M. Mayo of Angles camp, was in town Tuesday in the interest of his campaign.

## JUNE BUSY MONTH FOR STORK IN NEVADA CITY

June, a favorite month for weddings, also seems to be a busy and happy month for the stork. He brought six baby boys and five girls to Nevada City parents during June. Nine of them were delivered at the Nevada City Sanitarium.

## RICH STRIKE ON 1000 LEVEL BRUNSWICK

The mill and surface plant at the new Burnswick shaft, a property of the Idaho-Maryland Mines Company, Ltd., is being used to process the greatest portion of ore taken from the Idaho-Maryland mine and the old and new Burnswick shafts.

The headframe and mill were erected fifteen years ago by the old Burnswick company. A perpendicu- shaft was sunk to a drift from the vein below the old workings of the wick.

Rehabilitation in the old and new Burnswick shafts was begun a year ago under the management of the Idoha-Marylanl company A fire about two years ago destroyed a portion of the surface plant, which was also remodeled and renewed.

Recently a rich ledge was struck below the 1,00 foot level, and additional milling facilities are being put in to care for the increased production.

as the development work continues.

More men are being put to work. about two years ago destroyed a por- Errol MacBoyle is manager of the Idaho-Maryland Mines, Ltd.

## SPRING HILL MINING CO BONDS GOLDEN STATE

The Golden Gate mining ground was taken under lease and option by the Spring Hill Mining company recently and a tunnel is being run on the 500 foot level to connect up the old Golden Gate shaft.

The new property lies between the Spring Hill an Idaho-Maryland mines.

A crew of twelve are employed three shifts in mining operations.

San Francisco mining men are interested in the properties with H. R. Plate as superintendent.

Mrs. C. E. Bosworth and son, Donald, left yesterday afternoon by auto for Berkeley on a buisneis and pleasure trip.

Mr. and Mrs. Daryl Coughlan and two daughters, Jean and Marylyn, of Alameda are spending several weeks with Mr. Coughlan's parents, Mr. and Mrs. W. S. Coughlan out on Silva avenue.

## FORMER RESIDENT OF NEVADA CITY DIES

Ephriam Cohn, born in Nevada City, passed away last Monday in San Francisco. He removed to San Francisco more than 30 years ago but always maintained his old friendship for this city and the people he knew when a boy and young man.

Following his graduation from the local schools he worked in the candy business with the late J. M. Foley and finally embarked in the business for himself. He engaged in the jewelry business after going to San Francisco.

He had intended to witness Nevada City's Fourth of July celebration but his illness caused him to postpone his visit here.

He leaves four sisters, a brother, and a host of friends to mourn his passing. His sisters are: Misses Fannie, Pauline, Rose and Miriam Cohn, and the brother is Joe Cohn, all of San Francisco.

## UNUSUAL COLORS IN DRILL CORE

A section of drill core taken from the big gravel property on the San Juan Ridge, owned by the River Mines company, of San Francisco, is on display in the Nevada City Chamber of Commerce display windows.

The core is unusual as it has 104 colors taken from 10 test holes sunk on the property in gravel tests. In the black and in the bottom of the bottle are small nuggets and free gold. The sampling is showing good gold values. J. R. Riley who is in charge of the crew doing the drilling, brought the sample in. C. H. Munro, who died in the bay region recently had been in charge of the property for some time.

The property is handicapped to some extent through lack of water. The company will either have to rebuild and repair the old ditch and flumes or build a new ditch from the Middle Fork of the Yuba river, which will be costly.

## SUIT FOR AUTO CRASH DAMAGES ON TRIAL

The suit for damages of $50,000 brought by J. E. Glennon and his wife, Ethel C. Glennon against C. E. Clinch and Harry Goudge was brought to trial yesterday before Superior Judge Raglan Tuttle. Witnesses for the plaintiff yesterday were Fred M. Miller, engineer; Frank Quinn, state traffic inspector; W. C. Fouyer, highway patrolman, and A. M. Holmes, coroner.

It was alleged by witnesses that J. E. Glennon had a cut in his forearm disabling his thumb, as a result of severed ligaments, and that Mrs. Glennon had suffered a broken leg and severe chest injuries. The accident occurred January 15 on Glenbrook curve, on the highway between Grass Valley and Nevada City.

It was asserted that the car in which Clinch and Goudge were riding struck the Glennon car, which was already parked off the highway pavement. The prevailing fog was not too dense to prevent seeing some distance, according to witnesses. Pictures were introduced. Fred Miller made a survey of the curve and testified to technical aspects of the collision.

The trial will be continued today. Attorney for the plaintiff is Ralph E. Lachmund of San Francisco. The defendant is represented by Lynn Kelley of Grass Valley.

The following are serving on the jury: Frank Carson, William D. Woods, Henry Webber Andrew F. McCabe, Persia Bennetts, Dudley Dunlap, Horace Davis, Herman Cessac, William J. James, Arthur Dowdell, Ralph Russell and Mrs. Nettie Gildersleeve.

### SKI CLUB MEETS

The building committee of the Ski Club met in the Chamber of Commerce rooms on Monday evening and discussed plans and ways and means for a new club house. There was considerable discussion in favor of building a dance platform immediately and holding out door dances there during the summer, the net profit from same to be applied to the building fund. This plan would surely meet with the approval of the young folks in this section.

## MATTIE MINE IN RICH STRIKE

The Mattie Mine, formerly the Alcalde at Deadman's Flat, five miles west of Grass Valley, struck a five foot ledge at the bottom of their new shaft Saturlay at a point 40 feet below the 600 station.

The vein is a massive white quartz carrying a large percentage of sulphides of good grade and is either the top of a new shoot or the south extension of the rich ore shoots formerly worked during the Geo. W. Root regime in the upper levels.

The new vein comes in with an amphibolite footwall and a soft talcose slate hanging wall and promises to be much larger than in any other part of the mine.

The new shaft is a three compartment 5 by 14, with two hoist ways and a ladderway. It is maintained at a regular dip of 70 degrees and the new strike is 330 feet on the the 1,000 foot level of the old Burns-Alcade.

The company, since it's organization has been doing nothing but straight development work, with depth as their objective. They have first class equipment and this strike comes somewhat unexpecedly as a reward for their efforts. It means much for deeper mining in this extreme west portion of the Grass Valley District.

J. Berger of San Francisco is president of the Company, Mike McGuire is superintendent and Edw. C. Uren, consulting engineer.

## DAN STEWART HONORED BY P G AND E COMPANY

Dan Stewart, district agent of Pacific Gas and Electric Company, went down to Auburn Wednesday to receive the company's merit trophy for 40 years of service with it. Stewart entered the service of the P. G. and E. in 1894 as assistant lineman. From that beginning he has been advanced gradually through various departments of the company until four years ago, he was named manager of the Nevada City-Grass Valley district. The emblem is a circular gold pin bearing the company triangle set with diamonds. Herbert Cooper presented twenty other members of the staff with merit pins, varying from 5 to 25 years of service.

## STATE MILITIA PHOTO GIVEN MUSEUM ROOM

Miles Coughlin was given an old picture of Co. C state militia, for the Native Sons and Daughters exhibit room in the Public Library. The picture was evidently taken at summer camp. Very few of the faces are familiar. One is identified as D. A. Daily, who formerly operated the Racket Store. Mr. Daily was captain of the Nevada City Guard during the World War. Mr. Coughlin is endeavoring to learn all the names of the group.

## FUND TO BE RAISED FOR BAND CONCERTS

E. J. Kilroy has been appointed to raise the money necessary to secure the services of the Nevada City High School Band for a series of concerts during the summer monthos.

It is proposed to raise the money in a short time. These delightful concerts are looked forward to eagerly by everyone all through the summer.

## BEN BOST GIVES PIANO TO FIRE DEPARTMENT

The Nevada City Fire Department was made the present of a nice old spuare piano, the gift of Ben A. Bost a former fire chief and an active member of the department. The firemen have movel the piano to the Armory Hall and had it tuned. They are very proud of the sweet tuned old piano.

### EAGLE BIRD MORE SHAFT

The Eagle Bird mine has completed sinking from the 800 foot level to the 1200 foot and are now crosscutting to the vein.

J. W. Still is superintendent.

Mrs. C. E. Parsons, Mrs. Martha Hoge and Mrs. G. A. Legg motored to Alta yestreday to be the luncheon guests of Mrs. Stetson Hinds.

## FOSS GRAVEL TUNNEL NOW 1,100 FEET LONG

The tunnel in the Foss gravel property in the Lowell Hill district in now in 1,000 feet and Allen and drifting for the next three or four months in order to prove up the gravel.

Several fine nuggets have been taken out in their mining operations, the largest being in the neighborhood of $75.

## TRINITY SUNDAY SCHOOL PICTURES COMPLIMENTED

At a meeting a short time ago Myers Mobley took a picture of the entire Sunday school of Trinity Episcopal church. The superintendent of the school, Miss Elma Hecker, purchased a number of the pictures which she sent to the teachers and officers of the school. Also a picture was sent to the Bishop of the Diocese. In reply, Bishop Porter complimented the church school and the constant attention of the officers of the school.

Anyone wishing a picture can do so by communicating with Miss Hecker, at the County Treasurers' office, Court House, and she will have the same printed for the price of 10 censt a piece.

## SPANISH MINE WINZE NOW DOWN 300 FEET

At the Spanish mine above Washington, the winze in the upper tunnel is now down 300. Ore is being mined and lifted to the tramway from where it is sent to the mill at the old workings.

This company owns its water right on Poorman's Creek and formerly all mining was done by water power until electricity was brought to the property.

The mine is working three shifts of 25 men. Douglas Riddle is the new foreman at the Spanish mine.

## SUPERVISORS SIT AS EQUALIZATION BOARD

**Nevada County Coroner—Offices in Nevada City and Grass Valley**

Perhaps never before in the history of the county have the people given so much thought to the caliber of the man who will hold public office as well as their proved personal attributes and capabilities that would indicate how well they would hold their respective offices after being selected. This is true of the people of Nevada county, as it is of the nation. A. H. Holmes's constructive administration of his own private affairs and business has gained him a hearty regard and the respect of his colleagues, because his career as a citizen has been helpful and conducted in a sound and business-like manner. He has been indefatigable in his efforts to give the interests of his fellow citizens the best that is in him and his policies have been so manifestly honest and above board that he has won the plaudits of all, regardless of partisanship. It is such men who merit well at election time, for the day has passed when men are selected for office as a personal favor.

## LET'S PLAY SAFE

The late Governor Rolph, wearing his old fashioned boots, with his old fashioned chivalry and warm heart, added a colorful page to California history. We refuse to cry over the bill that we as tax payers must pay for that colorful page, and perhaps the cost was not too high considering all things—the lesson we have learned, and the historic values of such a character as Governor Rolph seated in the state's chief magistracy. Undoubtedly California yearned for the human qualities Rolph exemplied, yearned and elected him. Jim Rolph has gone to his long rest, and every loyal Californian will say—"God rest his soul".

But now the day is coming when we are to turn over a new leaf in California history. This time let us choose a man who has already proved himself in the Governor's office. A man who "plays safe", former Governor C. C. Young.

Here is a thoughtful editorial that appeared last week in the California Cultivator. We submit its good reasoning to our readers:

"Those who contend that because money was plentiful and easy to get during the four years that C. C. Young was governor of California, he deserved no special credit for having left a surplus of some $30,000,000 in the treasury at the end of his term, fail to take into consideration the fact that it is during just such times that governments as well as individuals are least likely to lay anything aside for the proverbial rainy day.

"We all know that it's when money is scarce and difficult to get that we really think of saving for our rainy day necessities and after all government is but an enlarged reflection so to speak of the needs and demands of its people.

"No doubt it would have been far easier for Governor Young to have acceded to the urgent demands made upon him to spend this $30,000,000 for the thousand and one real and imaginary needs of the people of the state and left the treasury bare than it was to say "No" to all but those demands he deemed actually necessary and, incidentally, had he listened to these demands, he would have no doubt stood a much better chance of being reelected, for seldom does a governor gain votes by saying no to those demanding the expenditure of public funds.

"Also the taxpayers of the state should be extremely thankful that this surplus was in the treasury when the present administration took over the reins of government, otherwise they would probably now be facing a deficit some $30,000,000 greater than that now staring them in the face.

"We are not saying that Mr. Young could have added another $30,000,000 to the surplus fund in the state treasury had he continued as governor during the present term or that he might not have had to spend all of that saved during his first term, due to the curtailment of state income and the greatly increased demands on the state caused by the depression.

"However, his record for economy at a time when the money was available and it was vastly easier to spend than to save, leads us to believe that had he been in charge of the state's affairs during the past three and a half years we would at least not now be facing such a large deficit. This past record plus the fact that we are faced with a large deficit, we believe, makes C. C. Young the safest man for the taxpayers of the state to have in the governor's chair during the next four years."

While wrestling with some friends a few days ago George Hofman broke a bone in his hand that required the services of Dr. B. W. Hummelt to set.

The state highway camp south of Nevada City that has been used as a state frest camp, is in charge of Mr. Russell, and is occupied by SERA men.

## Attention Voters!

Any citizen, living in Nevada County and qualified to register, who has not registered in the County since January 1st, 1932, or who has registered since that time and did not vote at either the Primary or General Election in 1932, or who has changed his or her precinct, residence, or name, MUST, in order to vote at the Primary Election to be held on August 28th 1934, register at the County Clerk's office or with a Deputy County Clerk appointed for that purpose, on or before July 19th, 1934.

## POLIOMYELITIS IN CHILDREN CAN BE PREVENTED

Most adults have acquired an immunity (resistance) to infantile paralysis. The serum from the blood of these individuals when given to susceptible animals (monkeys) has prevented these animals from a later infection of poliomyelitis. This method has been applied to children and has rather definitely prove to be a good preventive measure. It is highly recommended by the San Francisco Board of Health. The method is applied as follows: The blood of the father and mother is pooled with that of nine or ten other adults. The immunization obtained by the child lasts usually from two to six weeks. This is not in any sense an experimental procedure, having been used extensively and carrying the recommendations of many authorities on the subject.

1. If your child is exposed to another who within a short period develops infantile paralysis, the above procedure is absolutely necessary.

2. As a preventive measure for all children over the age of 2 years, it is highly recommended.

The incubation period of infantile paralysis is usually from 7 to 14 days after exposure, so that it is often very difficult to trace the infection and establish proof of the contact with the unsuspected carrier. To prove that one is a carrier is even more difficult.

Therefore, while we can remove some of the groundless and unfounded fears of this disease, we cannot eliminate all the worry because of these unkown and uncontrollable factors. The epidemic means common sense care, but not fear-ridden imprisonment of your child. Most of all,it means for parents' immediate co-pperation with the regulations set down, no minimizing of even slight infections and insistence upon diagnosis by lumba' puncture and early treatment with convalescent serum. It is for this reason that the Hooper Institute has been asking for serum from recovered cases in order that the physician may be equipped with this necessary means of treatment at all times.

# REWARD

We will give anyone $5.00 for the name of any of our Westinghouse owners who have paid us 1 cent or more for repairs of any kind on a Westinghouse refrigerator.

Only Westinghuose is dual-automatic. The Westinghouse is the only fully automatic electric refrigerator on the market that is dual-automatic. Most refrigerators are automatic under normal conditions, but Westinghouse is automatic under abnormal conditions.

And remember the Westinghouse has no old fashioned cam or rollers to get pitted and loose their compression.

The Westinghouse has only three moving parts, sealed with a bath of oil, away form dust, dirt and corrosion.

You have never heard of a noisy Westinghouse, they are guaranteed against noise.

They do not use wood in their cabinets. They are all steel.

There is no armatures to burn out, belts to replace, brushes to replace, commutators to sand paper down piston rings to replace. None of the old fashioned parts to give trouble.

No wonder Westinghouse can give a 5 year protection plan on the hermetically sealed mechanism for only one dollar ($1), peryear.

No wonder any of our customers have never paid a cent for repairs on a Westinghouse. A Westinghouse will last for a life time and you forget there is a mechanism to it. You don't even have to oil it.

Why buy an old fashioned refigerator with troublesome parts with a one year factory guarantee when you can buy a dual-automatic Westinghouse for the same money with a 5 year protection plan for only $1 per year. The Westinghouse has surplus power for hot days, so you may freeze a dessert in a short while in the hottest months of July and August. They operate cheaper, using less electricity than other electric refrigerators.

We know what a Westinghouse will do. We will gladly put a Westinghouse electric refrigerator alongside any electric refrigerator built. It will freeze faster, run less to do the same work, operate cheaper and run quieter.

Yes, we take in your old ice box and have the very to pay if you like. We sold easiest of terms, Two years and delivered 9 Westinghouse refrigerators Saturday, June 30, 1934. There must be a reason.

## ASSESSMENT ROLL OF COUNTY SHOWS GAIN

The assessment rolls of Nevada County, submitted by County Assessor J. M. Hammill to the board of supervisors, show an increase in property valuations of $666,175 for the fiscal year.

The 1934 total value of all property ,operative and inoperative, is $8,548,565 as compared with $7,882,390 for the year of 1933. The Grass Valley Township shows the largest increase, totaling $119,210. The Nevada City Township has an increase of $40,175.

## The EPIC Plan

I listened to the candidates
With dignified attention,
Endeavoring to understand
Each well expressed contention;
I heard the hot, defiant words
They hurled at one another,
And meekly murmured to myself,
"How brother loveth brother!"

One had an Epic Plan, I found,
For ending poverty;
I waved my little flag like mad,
And shouted, "that suits me!"
I longed to walk in silk attire
And with the mighty mingle,
I crave to order caviar
And hear my cold cash jingle.

I pledged my vote without delay,
For Epic took my stand,
Then learned I'd have to hie me hence
And wrestle with the land!
Now I have never scattered seeds,
Or gathered golden grain,
I've never milked pathetic cows
Or counted egg for gain.

Oh Epic, I could never wrest
My living from the soil;
I'l rather go on writing verse
Than buckle down and toil;
So lead me to a candidate
Who'll solemnly agree
To never force a farmer's job
Upon the likes o' me.

—A. Merriam Couner.

## SUIT AND CROSS—SUIT UNDER ADVISEMENT

Monday morning Judge Oscar Winburn of Grass Valley presided in the justice of the peace court for Judge W. L. Mobely in the civil case of M. Ivan Dow vs. James Ball. The hearing was held in the superior court room as the justice court room was not large enough to hold the crowd of spectators and witnesses. Dow has brought suit against Ball for alleged overdue rent to the amount of $273.25. Ball through his attorney, Vernon Stoll, denied the allegation and entered a cross-suit for $317.65 for alleged services and improvements to the property occupied by him. Judge Winburn took the case under advisement.

### FIRE CREW AT C. C. C. CAMP

Within the last few days a state fire camp with a crew of twenty men was established in the old CCC camp east of Grass Valley for the rest of the fire season. State Ranger Will F. Sharp of Nevada City is in charge of the camp.

## George Lysterup Is Given Birthday Party

A surprise dinner and party was given by Mrs. George Lysterup Tuesday evening in honor of the thirty-third birthday of her husband. Seventeen were invited to the happy affair and gave Mr. Lysterup a complete surprise. Cards were enjoyed until a late hour.

Those present were, Mr. and Mrs. Merle Colle, Mr. and Mrs. Fred Erickson, Mr. and Mrs. Mack Kennedy, Mr. and Mrs. Joe Crawford, Mrs. Wright and sons, Lynn, Henry, and Charles Wright, Misses Wilkins, Miss Bramstead, Albert Echman, Mr. and Mrs. Andy Lassen and Mr. and Mrs. George Lysterup.

## Ponemah Council Honors Mrs. Gildersleeve

At a recent meeting of Ponemah Council, Degree of Pocahontas, a recommendation was made for Mrs. Nettie Gildersleeve to be the coming District Deputy of Ponemah Council. This recommendation will be forwarded to the Great Council which meets in San Jose during August 20th week.

Delebates elected to Great Council to represent Ponemah were Nettie Gildersleeve, Grace Englebright, Lila Day and Rachel Penrose. Alternates were Blanche Williams, Aleen Lewis, Elsie Dent.

Raising of Chiefs will be held on Monday evening, July 16. This will be under the direction of District Deputy Lenore Coughlin.

## Red Men Will Hold Joint Installation

Wyoming Tribe of Red Men of Nevada City, held a joint installation with Weimar Tribe of Grass Valley, in Red Mens hall in Nevada City last evening.

Chiefs raised were Ernest Brisebil, Sachem; Charles Elliott, Prophet; Fred Deal Sr. Sagamore; Darel Moody, Jr. Sagamore.

Refreshments were served at the close of the evening.

## Dinner Guest of Honor

Mrs. George Lysterup entertained twenty-two guests at a dinner Sunday in honor of her brother, Andy Lassen, and wife, who were married in Tooele, Utah, a short time ago.

After enjoying the delicious dinner and a social time all motored to Hirschman's Lake for a swim.
